2018-19

PO Box 352, Lee's Summit, MO 64063 | lssymphony.org | 816.401.5251

It's going to be an exciting season for the Lee's Summit Symphony! Starting with the 2018–19 season, The Pavilion at John Knox Village will be the new home to your Lee's Summit Symphony!

Your Lee's Summit Symphony has garnered attention as a first-rate symphony orchestra since its inception in 2003. LS Symphony has enhanced the cultural landscape of Lee's Summit and its surrounding communities. As we begin this new chapter in the Symphony's rich history, we look to our support system of business sponsors, donors and community to help propel us forward with our mission.

The mission of the Lee's Summit Symphony Orchestra is to provide excellent musical experiences that enhance the quality of life for the community.

WHY BECOME A FRIEND OF THE LS SYMPHONY?

When you make a donation through the Friends of the Lee's Summit Symphony, you make a difference. Ticket sales comprise only one-third of our revenue each year. Your contribution allows the Symphony to produce outstanding concerts, helps support operations, and provides youth and adult education activities. In addition, you help enrich the quality of life in Lee's Summit and play an important role in our community's economic development.

Friends of the Lee's Summit Symphony enjoy recognition in our concert programs and on the website and receive an invitation to the Friends' annual meeting and social.

"Since attending the inaugural performance of the Lee's Summit Symphony, we have consistently been impressed with its musicianship, accessibility, and affordability. We believe the arts are a vital component of our community and culture, and we are proud to support the Symphony."

"We have so enjoyed being a part of the Lee's Summit community for 30 years. The community has been good to us and we want to see all the great things about this community continue. We feel very strongly about supporting all of the cultural aspects that provide opportunities for resident participation. And one of those opportunities is the Lee's Summit Symphony."

The Lee's Summit Symphony is conducted by one of our own, Mr. Russ Berlin, and a large number of the musicians are Lee's Summit residents as well as graduates of the Lee's Summit R-7 school system where Mr. Berlin taught. Since the beginning of the symphony, they have provided high quality concerts and opportunities for young children to learn about and become interested in the instruments played by the Symphony musicians.

We certainly want to see this organization continue and therefore are in strong support of the Lee's Summit Symphony. And we hope many others remain or become strong supporters of the Symphony."

*Enjoy the music!
