Support the Lee's Summit Symphony!

The mission of the Lee's Summit Symphony is to provide excellent musical experiences that enhance the quality of life for our community.

Concert ticket sales account for only 33% of our annual revenue. We rely on the support of our donors to help cover the cost of operating a community orchestra.

The Lee's Summit Symphony offers something for everyone! My granddaughter's love of violin began after hearing a rousing performance by the LSSO. The concerts give my family a place to come together through the power of music.
