## The Lee's Summit Symphony welcomes you to our new 2026–2027 concert season.

We continue to be inspired by the music, the musicians, and *you*, our loyal supporters.

The new season is sure to bring one-of-a-kind musical experiences. Look for collaborations with the Fountain City Brass Band, gospel singer/composer Isaac Cates, guest conductor Corey Seapy, and guest artist Carolina Calvache, performing a world premiere piano piece commissioned by the LSSO.

With this form, you can secure **season tickets** for our upcoming concerts. An important change to note — due to overwhelming demand for our annual holiday concert, we've added a second performance on December 12. You'll choose a 2pm or 7pm showtime. Interested in **reserving a table**? Please contact Candy White at 816-863-8919.

This is also your opportunity to join our **Friends of the Symphony** program. With your annual contribution, you support the Symphony in countless ways. Your donation covers about a third of the Symphony's overall expenses, allowing us to pay all musicians, commission new music, collaborate with the school district on our audiovisual experience, bring in guest artists and take small Symphony ensembles into the Lee's Summit community.

New this season is a \$1,500 giving level called **Chair sponsor**. With this donation, you choose a musician to support for the coming year.

### **Benefits to you include:**

- › Recognition on the LSSO website and concert program
- › Two season tickets
- › Early admission to concerts
- › Opportunity to meet with your musician and other sponsors.

Thank you for being a loyal part of our Lee's Summit Symphony family. We look forward to seeing you at our first concert on October 10.

***For your name to appear in our first program, we must receive your gift by September 18.***

Please complete and return by September 18, 2026.
